

Scams - don't get caught out!

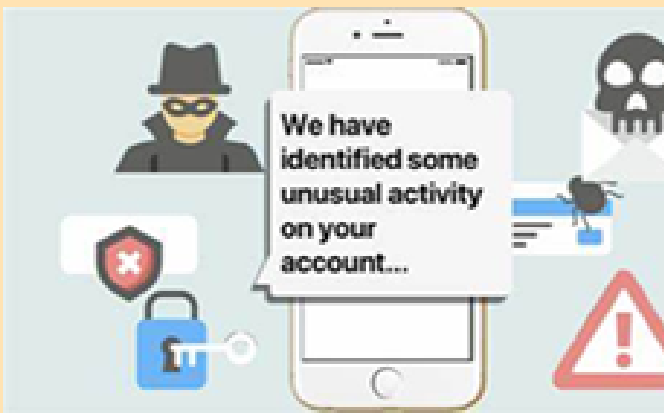

Would you recognise a scammer if they turned up on your doorstep, if they telephoned you, or if they sent you a letter or texted or emailed you

Join us for this free awareness session which will help you to keep yourself safe

Scammers never go away, they just change. But some things stay the same - fraudsters need to gain your trust to steal from you

Anyone can fall victim to a scam. If you are caught in a scam it can be distressing, and the impact is emotional as well as financial

Fraudsters are always coming up with new ways to try to scam people, from dodgy emails to fake calls

The good news is that there are ways to help avoid being taken in by a scam if you know what to look for

We will help you to recognise scams and what steps you can put in place to protect yourself and what actions to take if you have been scammed
